AMENDED IN ASSEMBLY APRIL 22, 2014

CALIFORNIA LEGISLATURE—2013–14 REGULAR SESSION

ASSEMBLY BILL

No. 1873

Introduced by Assembly Members Gonzalez and Mullin

February 19, 2014

An act to amend ~~Sections 4004 and~~ *Section* 10703 of, and to add Section 4000.5 to, the Elections Code, relating to elections.

LEGISLATIVE COUNSEL'S DIGEST

AB 1873, as amended, Gonzalez. Mail ballot elections.

~~(1) Existing law provides for the calling of a special election to fill a congressional or legislative vacancy. Under existing law, the governing body of a local agency is authorized to conduct a local, special, or consolidated election wholly by mail under specified conditions.~~

This bill would, *until January 1, 2020*, authorize a board of supervisors of a county to conduct a special election or special consolidated election to fill a congressional or legislative vacancy wholly by mail under specified conditions. The bill would also authorize any jurisdiction conducting a special election wholly by mail to process vote by mail ballot return envelopes beginning 29 days before the election, and would authorize any jurisdiction in possession of the necessary computer capability to process vote by mail ballots on the 10th business day before the election, as specified.

~~(2) Existing law authorizes an election in a small city, defined as a city with a population of 100,000 or less, or in a school district or special district, to be conducted wholly as an all-mail ballot election, subject to certain conditions, including that the election is a special election to~~

~~fill a vacancy in the legislative body or governing body and that the election not be consolidated with any other election.~~

~~This bill would remove the requirement that an all-mail ballot election be conducted only in a city with a population of 100,000 or less. The bill would also delete the provision prohibiting a consolidated election from being conducted wholly by mail, and would instead provide that in order to conduct an all-mail ballot election in a consolidated election in which boundaries overlap, all jurisdictions of the overlapping boundaries would be required to agree to conduct the election as an all-mail ballot election. The bill would additionally authorize a municipal election, as specified, to be conducted as an all-mail ballot election.~~

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.
